EXPERIENCE

PRESENT

Design Manager | Mockba Modular
Leads design coordination for modular projects, aligning architectural intent, consultant information, procurement requirements and buildable manufacturing solutions.

2022 - RECENT

Design Manager | JRL Modular, Newark
Coordinated projects with contractors, subcontractors, architects and the wider design team, supporting design management and procurement through modular delivery.

2020 - 2022

Senior Architectural Technologist | DB3 Architects, Leeds
Produced and coordinated detailed design, tender and construction information for complex modular and industrial projects.
- Lossiemouth MOD Accommodation, Scotland - detailed design for a new modular accommodation scheme for Caledonian Modular.
- Coca-Cola, Wakefield - tender and construction drawings for replacement of a walk-on ceiling in an operational industrial setting.

2016 - 2020

Architectural Technologist | Dixon Dawson Chartered Architects, Sheffield
Delivered planning, Building Regulations, tender and construction information across major retail, leisure, hotel, restaurant and office developments.
- Waverley, Rotherham - technical coordination for a GBP 50m retail, leisure and office scheme forming part of the 740-acre brownfield regeneration.
- Merrywalks Centre, Stroud - redevelopment and reconfiguration of an existing mall, car park and cinema, including new hotel and restaurant uses.
- Market Street and North Street, Gainsborough - planning, Building Regulations, tender and construction drawings for a town-centre hotel and restaurant development.

2014 - 2016

Architectural Technologist | Cordonier Architects, Sheffield
Worked on projects from GBP 50,000 to GBP 9m under construction management, design-and-build and traditional procurement, producing technical information for high-end residential, care-home and education projects.
- Ryecroft Glen, Sheffield - lead contact for Sheffield City Council and consultants on ten apartments with undercroft parking, from planning and Building Regulations through tender and construction information.

2012 - 2013

Design Team | GESTAD Service, Angola
Contributed to architectural design and Revit-based visualisation, including a forty-bedroom hotel proposal in Sumbe, Kwanza Sul.
